Typology of the Ecosystem Map of Hungary

		10 01 11	ungary				
	Level 1		Level 2		Level 3		Level 4
				1110 Low buildings			
	Urban	11	Buildings	1120	High buildings		
				1210	Paved roads		
1 L		12	Roads and railways	1220	Dirt roads		
				1230	Railways		
		13	Other paved or non-paved artificial areas	1310	Other paved or non-paved artificial areas		
		14	Green urban areas	1410	Green urban areas with trees		
		14		1420	Green urban areas without trees		
	- Croplands	21	Arable land	2100	Arable land		
				2210	Vineyards		
		22	Permanent crops	2220	Fruit and berry, and other plantations		
2 (22			Energy crops		
		23		2230			
			Complex cultivation pattern	2310	Complex cultivation patterns with scattered buildings		
				2320	Complex cultivation patterns without buildings		
	Grasslands and other herbaceous vegetation	31	Sand steppes	3110	Open sand steppes		
				3120	Closed sand steppes		
		32	Salt steppes and meadows (grasslands	3200	Salt steppes and meadows (grasslands affected by		
c			affected by salinisation included)		salinisation included)		
2		33	Open rocky grasslands	3310	Calcareous open rocky grasslands		
		55	open rocky grassianus	3320	Siliceous open rocky grasslands		
		34	Closed grasslands in hills and mountains or	3400	Closed grasslands in hills and mountains or on cohesive soil		
			on cohesive soil				
		35	Other herbaceous vegetation	3500	Other herbaceous vegetation		
	Forests and woodlands			4101	Beech forests		
			Forests without excess water	4102	Sessile oak-hornbeam forests		
				4103	Turkey oak forests		
				4104	Downy oak forests		
				_			
		41		4105	Scots pine stands of Western Transdanubia		
				4106	Deciduous stands of Western Transdanubia mixed with Scots		
					pine		
				4107	Native poplar dominated forests		
				4108	Pioneer forests of hilly and mountainous regions		
				4109	Pedunculate oak-hornbeam forests		
				4110	Pedunculate oak forests, monospecific or mixed with ash Forests dominated by other native tree species		
						41110	Forests dominated by other native tree species
				4111		41111	Forests dominated by pedunculate oak
						41112	Forests dominated by hornbeam
						41113	Forests dominated by ash species
						41114	Forests dominated by maple species
						41115	Forests dominated by linden species
						41116	Forests dominated by willow species
						41117	Forests dominated by juniper species
					Other mixed deciduous forests	41117	Torests dominated by Jumper species
				4112			
		42	Natural riverine (gallery) forests	4201	Riverine willow-poplar woodlands		
				4202	Riverine hardwood forests		
		43	Other forests with excess water	4301	Pedunculate oak forests, monospecific or mixed with ash		
				4302	Alder forests		
4 F					Pedunculate oak-hornbeam forests (with excess water)		
				4303	, ,		
				4304	Willow woods outside the floodplain		
				4305	Poplar woods outside the floodplain		
				4306	Birch woodland		
				4307	Turkey oak forests with excess water		
						43080	Forests dominated by other native tree species with
					Forests dominated by other native tree species with excess water		excess water (WEW)
				4308		43081	Forests dominated by hornbeam (WEW)
						43082	Forests dominated by ash species (WEW)
						43083	Forests dominated by maple species (WEW)
						43084	Forests dominated by linden species (WEW)
				4309	Other mixed deciduous forests with excess water		r
						44011	Scots pine stands
							Black pine stands
						44012	
				4401	Conifer-dominated plantations	44012	Norway spruce stands
				4401	Conifer-dominated plantations	44013	Norway spruce stands Other coniferous plantations
				4401	Conifer-dominated plantations	44013 44014	Other coniferous plantations
				4401	Conifer-dominated plantations	44013 44014 44015	Other coniferous plantations Conifer-dominated mixed plantations
		44	Plantations	4401	Conifer-dominated plantations Black locust-dominated mixed plantations	44013 44014 44015 44021	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations
		44	Plantations			44013 44014 44015 44021 44022	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations
		44	Plantations	4402	Black locust-dominated mixed plantations	44013 44014 44015 44021	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations
		44	Plantations			44013 44014 44015 44021 44022	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and
		44	Plantations	4402	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow	44013 44014 44015 44021 44022 44031 44032	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species
		44	Plantations	4402 4403	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species
		44	Plantations	4402	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow	44013 44014 44015 44021 44022 44031 44032	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species
				4402 4403	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
		44	Plantations Non-wooded areas registered as forest, or areas under reforestation	4402 4403 4404 4501	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
		45	Non-wooded areas registered as forest, or areas under reforestation	4402 4403 4404 4501 4502	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
			Non-wooded areas registered as forest, or	4402 4403 4404 4501 4502 4600	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration Other ligneous vegetation, woodlands	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
		45 46	Non-wooded areas registered as forest, or areas under reforestation Other ligneous vegetation, woodlands	4402 4403 4404 4501 4502	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration Other ligneous vegetation, woodlands Tall-herb vegetation of marshes and fens standing in water	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
5	Wetlands	45	Non-wooded areas registered as forest, or areas under reforestation	4402 4403 4404 4501 4502 4600	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration Other ligneous vegetation, woodlands Tall-herb vegetation of marshes and fens standing in water Fens and mesotrophic wet meadows, grasslands with	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
5 \	Wetlands	45 46 51	Non-wooded areas registered as forest, or areas under reforestation Other ligneous vegetation, woodlands Herbaceous-dominated wetlands	4402 4403 4404 4501 4502 4600 5110 5120	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration Other ligneous vegetation, woodlands Tall-herb vegetation of marshes and fens standing in water Fens and mesotrophic wet meadows, grasslands with periodic water effect	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
5 \	Wetlands	45 46	Non-wooded areas registered as forest, or areas under reforestation Other ligneous vegetation, woodlands	4402 4403 4404 4501 4502 4600 5110	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration Other ligneous vegetation, woodlands Tall-herb vegetation of marshes and fens standing in water Fens and mesotrophic wet meadows, grasslands with	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
	Wetlands	45 46 51	Non-wooded areas registered as forest, or areas under reforestation Other ligneous vegetation, woodlands Herbaceous-dominated wetlands	4402 4403 4404 4501 4502 4600 5110 5120	Black locust-dominated mixed plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Clear-cut Forest stand under regeneration Other ligneous vegetation, woodlands Tall-herb vegetation of marshes and fens standing in water Fens and mesotrophic wet meadows, grasslands with periodic water effect	44013 44014 44015 44021 44022 44031 44032 44041	Other coniferous plantations Conifer-dominated mixed plantations Black locust plantations Black locust-dominated mixed plantations Non-native poplar and willow plantations Plantations dominated by non-native poplar and willow species Plantations of other non-native tree species Plantations dominated by other non-native tree
